LASE in Partnership with Lutheran Schools

Partnerships are people working together for a common cause. Your child benefits from the partnership between LASE and your child's Lutheran school. The LASE special educator that works with your child is part of the LASE team of professionals and is assigned to work at your Lutheran school. LASE special educators are current on best practice strategies in special education and collaborate with general education teachers at your school to provide the services necessary for student success.

Ways that Parents Can Support the Ministry of LASE

By supporting Lutheran Association for Special Education, you will ensure that your child develops a sense of self-sufficiency and personal worth based on their relationship with Jesus Christ as their Lord and Savior. Here are ways that you can help:

- Pray for your child's teachers and for the ministry of LASE.
- Volunteer at LASE events such as the Golf Tournament in June, Fashion Show in November, and Purse Auction in February.
- Support LASE through charitable and/or planned giving.
- Donate auction items for events.
- Attend events and bring your friends.
- Ask businesses and friends to support events as sponsors.
- Volunteer to help with mailings.

Your help is crucial to the success of our ministry. Thanks for your support and for sharing your children with us.
