39TH ANNUAL
LASE Golf Benefit

Emme Acker, LASE Student Ambassador
from Zion Lutheran School, St. Peters, and
Chris Tomlinson, LASE Education Specialist

“Our family was broken, struggling for answers, afraid to make any changes that might make Emme’s learning struggles even harder,” said mom, Melanie Acker. Prayers led them to visit Zion Lutheran School in St. Peters, where they met with Principal, Marc Debrick, and LASE Resource Teacher, Chris Tomlinson. The Acker family left Zion feeling that *“this was a place where God was glorified, and **every child’s potential mattered.**”* Emme’s reading and language challenges were evaluated and she began third grade utilizing strategies and resource accommodations for dyslexia. Her determination, work ethic, and faith in

Jesus over the years have impressed her teachers and fellow students.

Emme pays forward the support and encouragement she has experienced by sharing her story with other students who struggle and by leaving little notes of encouragement for them on the classroom board.

Emme graduates from Zion this year, confident in her reading and spelling skills, and looking forward to making new friends in high school. As Zion general education teacher, Mrs.

Crenshaw says, “God continues to use Emme to bless His Kingdom.”

LASE Student Ambassador, Emme, and mom, Melanie, are a powerful force, emboldened by faith, hope, and love.
